What has been particularly effective about Michael Neubauer's approach to teaching in this course?

• Providing clear and concise answers and explanations

• Mike put lots of hard work into this class! I appreciate all the time he spent reviewing the homework and helping us build intuition

• Very kind and knowledgable.

• Mike attended the lectures with us and paid attention to the questions we asked to see if he could clarify them even further in his TA sessions, which I think is impressive commitment. Also super responsive for all questions large or small.

• How approachable he is. He is also very clear in explaining the concepts went over in class.

• He was very supportive. He helped us as much as he could. He was a fantastic TA in every way.

What specific advice would you have for Michael Neubauer about changes that would enhance your learning?
